13.09.2011 13:22

Prvi od 9 dogovorenih carter letova B&H Airlines između Mostara i talijanskog grada Pescare obaviti će se 17/09/2011. u organizaciji talijanskog tour operatora Ceranno tours i Fortuna travel iz Mostara, te uz veliku podršku gradonacelnika Mostara gosp. Ljube Beslica i talijanske regije Abruzzo.

Kako saznajemo, uskoro bi mogli započeti pregovori oko nastavka ovih letova i u zimskom periodu, tako da bi građani Hercegovine bili povezani dva puta tjedno sa ovim gradom sa druge strane obale Jadranskog mora. Ideja za otvaranje linije prema Pescari nastala je neposredno prije otvaranja prosljednog Sajma gospodarstva u Mostaru gdje je Italija bila zemlja partner i kada je održan prvi susret predstavnika gradova, aerodroma i tour operatora, kao i predstavnika B&H Airlinesa. Ideja vodilja ovog projekta je bila prvenstveno jačanje gospodarskih veza ova dva grada kao i jačanje vjerskog turizma iza kojeg stoji ogroman potencijal sirom Italije.

Slijetanje prvog aviona iz Pescare očekuje se u subotu 17. rujna u 17.30 sati.

### **The first flight of B & H Airlines from Pescara to Mostar 17th September**

The first of nine flights in the chain charter flights arranged by B & H Airlines between Mostar and the Italian city of Pescara shall be conducted 17/09/2011. organized by the Italian tour operator Ceranno tours and Fortuna travel from Mostar, and the great support of Mr. Ljubo Beslic, the mayor of Mostar and the Italian region of Abruzzo.

Negotiations are already in place for continuation of these flights during the Winter 2012, so that the citizens of BiH will be connected twice a week with the Italian city on the other side of the Adriatic Sea.

The idea to open the air service between two cities was created shortly before the opening of the Economy Fair in Mostar in April 2011, where Italy was the country partner and when it held its first meeting of representatives of cities, airports and tour operators and representatives of B & H Airlines. The guiding idea of this project was primarily the strengthening of economic ties between the two cities as well as the strengthening of religious tourism backed by the enormous potential throughout Italy.

Landing the first plane is expected from Pescara on Saturday, 17 September at 5.30 PM.
