

Platform for Peace

12.03.2021 18:44

Mayor of the City of Mostar, Dr. Mario Kordić met in Mostar City Hall with Majda Behrem Stojanov, Director of the Pro-Budućnost Project.

The meeting was attended by the appointed members of the Working Group of the City of Mostar within the PRO Budućnost Project Senada Sadović, Elvedin Gadara, Dženana Dedić and Sabina Memić.

At the meeting, the previous activities within the Project were presented and some of the next activities in which the City of Mostar can participate through infrastructure projects. The proposition is for the Mostar City Council to adopt the Platform for Peace in the coming period, which is the crowning document of USAID's Pro-Future Project because it will be one of the criteria for participation in the planned activities.

A new meeting has been announced in two to three months, and until then, members of the Working Group will prepare an infrastructure project on behalf of the City of Mostar, which should be nominated.
